### \* \* TESTING PROGRAM IN TRANSITION \* \*

Oklahoma's school testing program is in transition. The statewide 3rd and 7th grade norm-referenced tests have been discontinued. In 3rd grade, norm-referenced tests for Reading, Language Arts, and Math are scheduled to be re-introduced in the 2000/01 school year. The 11th grade criterion-referenced tests will be replaced, in part, by end-of-course tests. End-of-course tests in English II and U.S. History are scheduled to begin in the 2000/01 school year. End-of-course tests in Biology I and Algebra I are scheduled to begin in the 2002/03 school year. Also, if funding is available, in the 2002/03 school year the 3rd grade tests will become criterion-referenced and 4th grade norm-referenced tests in Reading, Language Arts, and Math will be instituted.
